Flanked by the two highest outdoor dining terraces in Europe, the venue offers unparalleled views of London, from the Wembley arch to the West, Olympic Park to the East, The Thames to the South and everything else in-between. What's more, our sister restaurant Duck & Waffle, located on the 40th floor, features the highest private dining room in the UK, accommodating 18 guests, while the main restaurant and bar can host events for 250 guests. Combined with **SUSHISAMBA**, the capacity reaches 650 guests, becoming one of the largest spaces for corporate entertaining and launch parties in the City.

Drawing from their wealth of knowledge working for some of the Capitals most prolific venues, our team will enhance your event from sourcing and managing entertainment, production and AV to selecting fresh flowers and festive décor, creating an unforgettable experience for you and your guests.

SUSHISAMBA RESTAURANT – 38TH FLOOR

As the largest of the spaces and certainly the most iconic, the main dining room features a double-height ceiling with a distinctive hanging pendant lighting installation, giving a soft warm glow to the space. Flanked by both the East and Tree terraces, the space features our Sushi bar and Robata grill and creates an airy light space perfect for both seated events or standing cocktail and canapé parties.

EAST TERRACE – 38TH FLOOR

As the highest outdoor dining terrace in Europe, this space offers spectacular views of the London skyline with casual lounge furniture and a bar, serving signature cocktails and Champagne. It is ideal for networking events requiring the WOW factor, as it towers above our neighbours offering a viewing platform like no other. The 39th Floor lounge and bar is reserved as a back up in case of inclement weather.

TREE TERRACE – 38TH FLOOR

The Tree Terrace is at the very heart of the venue, featuring a beautiful bar with a 6m x 8m (26ft) custom orange tree - a sculptural design that reinforces the restaurant's earth-to-sky motif. Guests will feel as though they are in a garden in the sky with the wood banquettes, outdoor fire pit and casual seating.

Whilst the Tree Terrace can be enjoyed with exclusive use of the 38th Floor, it cannot be hired on its own and operates on a first come, first served basis.

CUISINE

SUSHISAMBA's menus offer an inventive culmination of three cuisines. Guests are treated to Brazilian churrasco and moqueca, Peruvian anticuchos and seviches, and Japanese tempura and sushi. The open kitchen and fiery robata grill offer brilliantly roasted and flavored meats, vegetables and fish that capture the restaurant's culinary prowess. **SUSHISAMBA's** conceptual small-plate style of service encourages a "shared" dining experience for guests during seated events and an exciting selection of signature canapés for guests during receptions.

SUSHISAMBA offers an expansive list of freshly muddled signature cocktails, such as the Nina Fresa®, Chucumber and Caipirinha, exotic spirits such as shochu and cachaça, plus traditional beverages, including wine, beer and Champagne.
