# MAISON DE CHAMPAGNE TAITTINGER

Enjoy rare cuvées from the Maison's Museum Release:

Founded in 1734, Maison Taittinger is one of only five Champagne houses to cellar its wines in the famous "Crayères" of Reims – chalk caves originally dug out by the Romans. The caves were rediscovered at the beginning of the 18th century and Champagne merchants found that they provided the perfect conditions for aging wine. Today, Taittinger owns four kilometers of Crayères, which are used to age their prestige cuvées: Comte de Champagne Blanc de Blancs and Comte De Champagne Rosé.

2008 TAITTINGER BRUT 750ml 195  
Bright, light yellow. The nose shows a seductive creamy, buttery and floral character. The palate is mouth-coating and full yet also silky. Although the attack seems supple, the mid-palate is fuelled by beautiful exuberance imparting elegant verticality.

2002 TAITTINGER, COMTE DE CHAMPAGNE, BLANC DE BLANCS GRAND CRU 750ml 650  
2002 is recognised amongst the greatest Champagne vintages over the last quarter of a century. This Blanc de Blancs shows fresh almonds, vanilla and verbena balanced by a generous biscuity, spicy brioche character and then a firm and discretely indulgent finish. Elegance and power are powerfully poised.

# SPARKLING SAKE - HAPPO 発泡酒

Sparkling sake is made with the same process as classic sake up to a point. Fermentation is halted earlier than usual, when the alcohol is only around 5 to 10 percent, as opposed to the 18 to 20 percent of normal sake. At this time, there is still plenty of sugar in the mash. The sake is then pressed and bottled. In the bottle, a secondary fermentation takes place that produces carbonation.
